Favalli Group

In 1992, the strong determination and passion of Favalli brothers gave birth to Favalli Group. Ivan & Paolo express their creativity in the kitchen, specializing always more in high-level restaurants, ending up in creating a real business empire that goes from bakery to patisserie and from refined cuisine to hospitality.

Whether it's good fish at Aquariva, an aperitif at Honorè, a relaxing day on the lake shore, maybe enjoying the SPA at Splendido Bay Resort; the group, the people who animate it and are part of it, will be happy to welcome you with the utmost care and kindness.

Il gruppo nasce nel 1992 dalla determinazione e passione di due fratelli che hanno saputo mettersi in gioco sin da giovani. Ivan e Paolo esprimono entrambi tutta la loro creatività in cucina, specializzandosi sempre di più in ristoranti di alto livello, sino a creare un vero impero imprenditoriale che va dalla panificazione alla pasticceria e dalla ristorazione all'ospitalità.

Che sia del buon pesce all'Aquariva, un aperitivo all'Honorè, una giornata relax a fronte lago magari approfittando della SPA allo Splendido Bay, il gruppo, le persone che lo animano e ne fan parte saranno liete di accoglierti col massimo della cura e gentilezza.
